The Little Theatre of Wilkes-Barre has strived since its inception in 1922 to bring quality theater to the Wyoming Valley. Our current home in the Sterling Theatre of Wilkes-Barre's North End has served us well since its purchase in 1955. In 2018, several grants and generous donations have allowed us to perform some long-needed renovations and install a brand new HVAC system. This improvement has opened the door for something that we've long dreamed of: adding a sixth show to the season.

For you, our loyal and dedicated audience, we're keeping ticket prices the same - \$17 for plays and \$20 for musicals. Our membership levels have been adjusted to enable you to see our full regular season at a discounted rate. When you become a Season Subscriber, you receive a PLAY PASS for your selected Membership Level. This PLAY PASS provides you with tickets to use however you choose. You can use all your tickets for your favorite show, or use them throughout the season and enjoy each and every performance.

A PLAYWRIGHT membership makes a great gift - for yourself or someone else. A couple would enjoy DESIGNER membership for date-nights already paid in advance. Families would benefit from PRODUCER or DIRECTOR levels, using more tickets for family-friendly productions with the kids and a few set aside for or the occasional night out.

### Individual Membership Levels:

- **DIRECTOR**, includes 24 tickets - **\$299** (Save 34%)
- **PRODUCER**, includes 18 ticket - **\$239** (Save 30%)
- **DESIGNER**, includes 12 tickets - **\$174** (Save 24%)
- **PLAYWRIGHT**, includes 6 tickets - **\$89** (Save 21%)

## Special Events | Not Included in Season Subscription

July 26-28

After the grown-ups tackle *Beauty and the Beast*, let's see what our kids can do. You will be amazed! Our **Young Actor's Workshop** began in 1986, and is still offered at no cost to participating families.

Oct. 25-31

Will it be different from last year? Oh, YES, darlings—it's ALWAYS different. And that can't be all bad. NEPA's Best Halloween party, live, onstage, with props. Just a step to the left—and a jump to the right...
